# UK Reflections: Cyber Security Solutions for MSMEs

13 February 2023

Craig Stanley-Adamson

Deputy Head of G7 & G20 (Digital), DSIT

# Cyber: The context

Digital technologies are transforming economies and societies

We cannot unlock growth and innovation without a baseline of security

## UK National Cyber Strategy:

**Strengthening the cyber ecosystem**

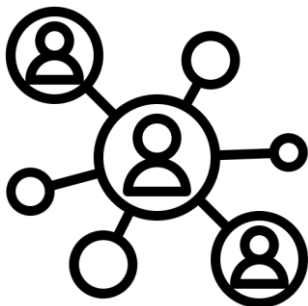

**Building cyber resilience**

**Future technology**

**International**

**Countering cyber threat**

# Cyber: Multi-stakeholder and international cooperation

Whole-of-society approach  
to solving cyber challenges

Digital technologies are  
borderless

**It is our role as the G20 to ensure we create, encourage and develop the appropriate multi-stakeholder ecosystem**

# Supporting MSMEs: UK initiatives

## 1. Cyber resilience

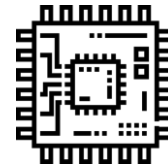

Foundations

Incentives

Accountability

Regulations

## 2. Securing technology

## 3. Cyber skills and support to cyber industry

**Upskill  
in cyber**

# Thank You
